CAREER SUMMARY

A highly motivated and skilled React developer with 3 years of experience in designing, developing and delivering scalable and user-friendly applications for both web, iOS, and Android platforms. Proficient in Reactjs, React Native, JavaScript, and complex state management. Seeking a challenging role where I can leverage my technical and creative abilities to contribute to the growth and success of a dynamic organization.

CAREER OBJECTIVE

To obtain a challenging and dynamic role as a React and React Native Developer where I can utilize my technical skills, experience, and passion for software development to help companies build high-quality and innovative applications for both web and mobile platforms.
